Social Studies 11 Unit 1: Too Big For Our Planet?

1A: Student Maps of Canada & the World

Map 1 Instructions: locate and label the following on an outline map of Canada. Print small. This is a map for your notes... not an assignment. Use an atlas if necessary. The **bold** features on this list are quizzable/testable material, and are useful for referring to events in Canada. Arguably, many would say that as Canadian citizens you should all know some basic geographic info about Canada, including all the provinces and their capitals, and major rivers and lakes. Check these off when you've labelled them... ✓, and circle your check mark when you think you can find them on a blank map... (✓)
